## DRAKE DOESN'T BELIEVE IN ROOM RENTAL FEES!

- + Like we said before, no rental fee, just a minimum spend that we require met in catering, beverage + Drake services
- + Your minimum spend will be determined by the venue, day of the week and length of time you wish to accommodate all budgets
- + Staffing is included care of Drake – we love our staff and you will too!
- + All venues are offered 'as is' – a nominal fee will be required to transform the venue into the room you're envisioning. Set-up fees range in price from \$125-\$450 based on your needs
- + Please note that cash bars aren't considered as part of the minimum spend and onsite ticket sales are not permitted

## MENU SELECTIONS

- + At Drake, we like to keep things fun but we're pretty serious about great food! Just like the seasons, our menus change to reflect the best of local ingredients and gastronomical excellence
- + Depending on your guest count, we offer plated, strolling and stationed menu items featuring Drake classics like our famous raw bar, oyster shucking, mouth-watering carvery + more! Drake's in-house pastry team can design the ultimate platter of sweet treats from tasty cupcakes, take home goodies and our famous bake sales
- + Your final menu is due two weeks prior the function date – anything inside of that we'll try our best but can't make any promises
- + As we cater all of our own food in-house, we don't allow for outside catering as part of onsite events
- + If you're looking to bring in a cake from your favourite baker the answer is yes, but we charge \$2.50 per person to store + plate the offering
- + + Seasonally created cocktails by Drake's resident drink experts are available in all our venues
- + + We also offer basic and premium bar offerings, which we charge based on consumption

## A/V

- + Rich audio visual available in each of our venues takes the tech related stresses off of your plate, and onto ours
- + We're proud of our offerings, and we're excited to share them with you. That being said, we do require that all AV needs be procured through our channels
- + All needs must be confirmed 2 weeks prior to the function date – if no technician has been requested, we won't have one available on the date of the event.

## COAT CHECK

- + Coat check at Drake One Fifty is complimentary!
- + If you'd like to bring in some extra coat racks during the colder months, there may be associated costs with the rental

## BOOKING DETAILS

- + All we need is a signed contract + 50% deposit to proceed with the booking
- + It's important to note that we can't hold space without the above, so ensure to make your intentions known if you're looking to proceed
- + In the event of a cancellation, we require 90-days' notice in order to return your deposit without penalty
- + Things change! As a hotbed for art + culture, we are constantly updating our look, giving various artists their time to shine. Check-in with your event coordinator to be made aware of any upcoming décor flips in advance of your event date

# YOU'VE GOT QUESTIONS, WE'VE GOT ANSWERS: DRAKE ONE FIFTY FAQ

## **DO WE HAVE AN EVENT COORDINATOR TO HELP PLAN THE DETAILS?**

- + Absolutely! Your Drake Coordinator will help you plan out all items Drake related – menus, bar offerings, sweets + treats, key timing as it relates to food + beverage, floorplans, security and AV support
- + Your Drake Coordinator is not responsible for getting you down the aisle, decorating, cuing music or speeches
- + Should you wish to have assistance with the above, you can upgrade to our DAY OF COORDINATOR PACKAGE starting at \$500.00 for the day
- + The DAY OF upgrade will allow you comfort in knowing that ALL details are under one roof and taken care of by a real pro!

## **WHAT ABOUT A REHEARSAL?**

- + As for a FORMAL rehearsal, do note our spaces are always open to the public unless privately booked. If you have not upgraded to a DAY OF COORDINATOR package, it would be a casual, run through where possible (if possible)
- + Should you have a DAY OF COORDINATOR, they would be onsite to run your crew through all elements of what to expect

## **CAN WE HOST A CEREMONY ON-SITE? WHAT ABOUT ON THE PATIO?**

- + The patio is best utilized during the cocktail hour vs. hosting the ceremony as it will be tight, and sight-lines will be quite limited for most guests.
- + Ceremonies of up to 120 guests will take place in the dining room, perfectly framed by our pergola designed by Brothers Dressler
- + Even our ceremonies are unique – the majority of your guests will be standing (with a cocktail in hand!) as you pass through this loving crowd en route to your soon-to-be forever partner in crime!

## **WHEN DO WE NEED TO DECIDE ON OUR FINAL MENU + BAR OFFERING?**

- + Your final guest count, menu + bar scenario is due TWO weeks prior to the event date
- + Remember if you have booked a STROLLING DINNER – 70% of the food is passed by our staff, while the remainder are fun + delicious self-serve stations
- + If you have booked a PLATED DINNER - your coordinator will send you updated menus over time as they do alter with the changing seasons
- + We provide printed menus for each place setting – customizations are subject to fees for printing
- + Do note, our bar is based on consumption, but we'll provide an estimate for your sign off – night of, our Operational team will watch the tab and keep you closely in the loop!

## **WHAT ABOUT RENTALS + FURNITURE?**

- + The venues are all offered AS IS – and provide the ultimate background for your big day!
- + Should you have specific room set up needs, please see your coordinator to discuss the best possible solutions. Room set-up and furniture removal fees do apply
- + Any rentals and deliveries are only accepted DAY OF (what we lack in storage we make up for in fun!)

## **LET THE GOOD TIMES ROLL!**

- + WE KNOW YOU ARE GOING TO HAVE AN ABSOLUTE BLAST!
- + Live music is permitted on site, but space is at a premium! Chat with your coordinator to arrange for the best configuration to maximize real estate and maintain the perfect flow for your special day.
