## PICK ONE POT

### **Kenyan Chai, *The Abbibiman Project, Foodpreneur Labs***

A full bodied tea blend made with CTC (crush, tear, curl) Kenyan tea leaves and a unique blend of spices. Flavour is strong enough to allow for milk and/or sugar to be added without cutting too much richness.

### **Black Kenyan Tea, *Kericho Gold***

Kericho Gold Black Tea from Kenya is filled with the goodness of natural ingredients and high in antioxidants. Gives a boost to your mood, your energy levels, and the immune system.

### **Breakfast in Paris, Organic Black Tea, *Tea Squared***

Created with smooth summit level black teas from three top-growing regions. A full body with depth and refined balance. Great on its own or with milk and sugar. Black teas have been shown to protect against heart disease and strokes and to lower cholesterol.

### **Uncle Grey, Black Tea, *Tea Squared***

The smoother cousin of the pretentious Earl. High-grown Ceylon black tea infused with the oil of bergamot and finished with a hint of vanilla.

### **Pure Energy, Yerba Mate, *Tea Squared***

Mate is loaded with antioxidants, vitamins and minerals. This tailored blend combines the sunny flavours of pineapple, citrus and mangosteen.

### **Pure Peppermint, *Kericho Gold***

Peppermint tea has many health benefits, including antioxidant and calming properties. Cool + invigorating. 100% peppermint leaves.

### **Jasmine Blossom, *Kericho Gold***

Jasmine flowers, green tea, sencha. Jasmine is known for its ability to boost mental clarity + and aid in digestion.

### **Chai, Red Roobios/Chai Blend, *Tea Squared***

Delicious, caffeine-free South African red bush tea, blended with generous amounts of traditional chai spices. Rich in antioxidants, vitamins and minerals. Great on its own as an herbal tea or with milk and honey.

### **Chamomile, *Kericho Gold***

Chamomile tea is known for its relaxing + soothing properties. 100% chamomile flowers.
